

# BATTLE OF HATFIELD INVESTIGATION SOCIETY

## Our 17th Meeting

Cuckney Village Hall

Friday September 23rd 2022 @ 7:30pm

Free admission and refreshments

### In Brief .. Activities Since our Last Meeting & AGM of 10th December 2021 ...

- **UPDATE:** MERCIAN supplied the Field walking and metal Detecting Report (Top 50+ Finds) (costing BOHIS £1,000) from both our 2018 HLF project plus our Feb/Mar 2020 work in 5 Cuckney area fields – in “A Selection of Interesting Finds from Cuckney (50+ finds)” - on 1/2/2022. Tab to be added to our Website.  
A selection of those Top 50+finds will be available at the meeting to be viewed
- **UPDATE :** Letter to Stan Strickland (who supplied the Eastwoods 1950/1 photos in May 2013) to intervene on our behalf with David Marriott - re. the Eastwoods Archives –Stan confirmed that there was unlikely to be any potential for Eastwood’s holding other photos of the skeletons.

### Proposed near FUTURE Activities- Reminder : What Permissions were Requested from Welbeck Estates

- Fieldwalking and metal detecting in selected fields around Hatfield Grange and the field abutting St. Mary’s
- Vigil in woods with Rachel Parsons (c. 2 hours)

# BATTLE OF HATFIELD INVESTIGATION SOCIETY

## History Corner

- **A visit to Hatfield Chase ....**

The alternative site for the Battle of Hatfield (632)...or perhaps the Battle of the River Idle (616)

## Presentation

## Six Further Fields... (by Paul Jameson)

- Further Fieldwalking and Metal Detecting (with Chesterfield Metal Detecting Club) .. all the details .. Permissions agreed by the Welbeck Estates Company Ltd.
- Operations start Nov 22

## WE NEED YOUR HELP

Any extra donations towards the cost of our activities are much appreciated as we are low on funds

## Any other breaking news...

## Question time

- Your chance to influence the project
