In Brief .. Activities and Events Since our Last Meeting of 28th Feb 2025 ...

Cataloguing and Analysis

Jun 25

In Jan 25 - Offer (Aug 24) from Finds Liaison Officer, Meghan King, to catalogue all the Nov 22 – Mar 24 finds & include in PAS Website (finds.org).

Partial permission granted by Welbeck (Nov 24), to analyse but not include in PAS website without further Welbeck permission. UPDATE : Find sheets only completed for 27 key items by Meghan, all 2022-24 finds returned in Jun 25.

Jun 25

Cataloguing + Final Report of 2018-20 finds by MERCIAN was due 14/9/24. DELAYED but agreed with Welbeck as deliverable by 31/5/25.

UPDATE : Final MERCIAN PDF Report for 2020 items was delivered on 2/6/25.

Jan 26

Jan 25 Request to Welbeck (originally in Apr 2024) that Prof. Stephen Harding, (Prof. of Applied Biochemistry, Nottm. Uni.) be allowed to isotope test 3 items (arrow head, sword pommel and 'raven head' pieces). UPDATE : Revised Permission (with extra conditions) granted by Welbeck but unacceptable to BOHIS or Dr. Harding. Amendment proposal now with Welbeck (Jan 26)

Jan 26

Jan – Mar 25 Fieldwork with CMDC .. a few nice finds including a Roman weight and potentially very old sword or dagger blade. New fieldwork / detecting proposed to Welbeck (Jan 26).

Feb 26

MERCIAN asked re. status of 2018 finds Excel documentation and whether a further 2018 report is due or part of the, "A Selection of Interesting Finds from Cuckney (or 50+ finds from Cuckney)" – (delivered Feb 22).
